Here We Go Again - One is Barking Your Name!

TILLY: is a Boston Terrier Mix approximately 10 months old and is exuberant over life! Tilly is VERY smart, gets along with all the other dogs, and is a ball of energy. She is coming along quickly in learning her commands, and wants to show them off to you in her new forever home! (CLATSOP CO)

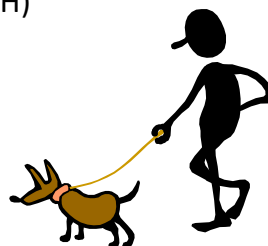

SAKI: is a **very** sociable Shepherd/Lab mix. At 4 years old, she has the sweetest smile and ears that seem to talk! Saki has a very unique coat going from dark brown to black. She is very affectionate, listens well, and is great on her commands. Saki is a loving, easy going girl, and would make a great addition to your family. (LONG BEACH)

ADOPTED

WALLY: this little Beagle boy has already found a new loving, forever family. We will continue with his socialization and obedience training, so he'll fit right in to his new home. Beware - he loves both treats and balls! (LONG BEACH)

The name of the dog on the Cracker Jack box is Bingo. The Taco Bell Chihuahua is a rescued dog named Gidget.

The phrase "raining cats and dogs" originated in 17th century England. During heavy rainstorms, many homeless animals would drown and float down the streets, giving the appearance that it had actually rained cats and dogs.

SNOOPY: is approximately 1 year old, weighs about 15lbs, and is a Chihuahua/Beagle mix. He is bigger than a Chi and smaller than a Beagle. Snoopy knows his basic commands, is good on a leash, and is a super happy, playful guy. He is affectionate and gets along with all the other dogs. Snoopy likes playing with Shadow – so, you know he "thinks" he's a big dog too! (LONG BEACH)

They're Going to Go Quick.....

ADOPTED

MĀCIO: is approximately 5 months old, and a beautiful Shepherd/Hound mix. He gets along with all the other dogs, loves attention, and is very affectionate. For a youngster, he is very smart and learning his commands quickly. Beware - this little cutie has some mighty big paws! (PAWS of GH)

ADOPTED

BRUTUS: is a shameless wire haired Fox Terrier-Beagle mix male. His human dad has some serious health issues, so Brutus is coming to us to learn some real manners and obedience skills. That way, he will be able to be around his owner without hurting him!

MOSES: as you can see, Moses is the cutest 5 year old Mini Pinscher around. But, being the descendant of the Italian Greyhound, Dachshund, & German Pinscher, he is a bundle of energy. Big surprises come in little packages! Moses is affectionate, loves to play, and is coming along in learning his commands. (CLATSOP CO)

ADOPTED

LADDIE: is a young, male Border-Collie mix with a VERY high energy level. He loves to run and play, and wants both attention and affection. He is new to training, but picking up commands quickly. His new family will definitely need to keep up with **him** - But, when it's time to come inside, the switch goes off and it's cuddle time! (LONG BEACH)

SHADOW: is a Handsome – with a capitol “H” - young male Black Lab/Shepherd mix. He has the build of the Shepherd, w/ the color and ears of a lab! Shadow is an active boy with energy to burn. He will be happy to burn it off with a toy or for a treat – either is fine with him! Shadow is an affectionate kid, and learning his commands quickly. (CLATSOP CO)

.....So, You'd Better Get on the Stick!

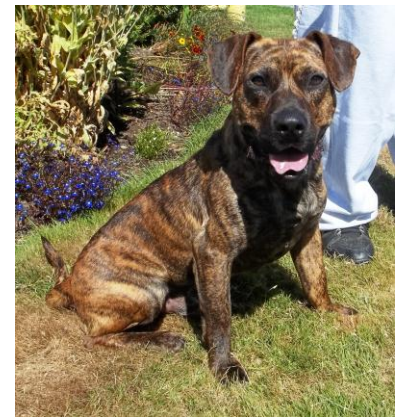

ADOPTED

LEROY: is a very sociable Border Collie- Husky mix. In this group, if Saki is considered the female social butterfly, Leroy is her male counterpart! His new family better prepare for an autograph book!

(PAWS of GH)

ISABELLA: is a shy 3-4yr old Boxer/Lab mix. Sadly, this gentle, sweet girl lived a **very** neglected life. Isabella is now, slowly but surely, gaining confidence and trust in humans again. Her tail has come out from in-between her legs, and it's "A WAGGIN'!" Isabella would do wonderful in a slower paced, relaxed home with lots of love to give, as she has lots to give back. (PAWS of GH)

COCHISE: is quite the young mixable-mix – he looks to be a bit Boxer-Bulldog-Basset! His brindle coloring is amazing, especially in the sun. Cochise loves people, is an energetic playful bugger, and is quickly learning his commands. This sweet boy would do great in most any family! (LONGBEACH)

A dog can locate the source of a sound in 1/1600 of a second and can hear sounds 4 times farther away than humans. 18 muscles or more can move a dog's ear.

EMMA: is a beautiful Retriever/Border Collie mix. She is approximately 1 year old, and was found running on a busy highway. Emma is very feminine and gentle, but she still likes roughhousing with the other dogs! She has a wonderful disposition, is very much a puppy at heart, and likes everyone she meets – including children. She would be great addition to your family. (NB PAWS)

OZZIE: is a 1½-2 year old Australian Shepherd. He came from a very unfortunate situation, so is very shy, a bit skitterish, and quiet. But, with the amazing way that dogs are, he is gentle and loves cuddling when he gets to know you. With the trainers help and attention, Ozzie is opening up and becoming social – probably for the 1st time in his life. He will make a faithful and loyal new family member. (LONGBEACH)

The Final Two – Now it's Up to You!

BUDDY: is an approximately 4-5 year old Schnauzer/Terrier mix with an easy care wire coat. Buddy's owner recently passed, so he is grieving. With the attention and care he is receiving, Buddy is blossoming and healing. Buddy is learning commands quickly, and now is looking forward to a new loving home. (PAWS of GH)
